all other officers are appointed (and/or volunteered for).

CAGD Linda Laning, assistant Jody McComb ... AWGA Carol Brown and our rules person.

MATCH PLAY Captain, Sally Christensen, assistant Nancy Ellis

Summertime minutes are online on the General Information page

Yearly budget is online on the General Information page

1. Starting in November, we begin our season and we all play together at 8:30 in groups of 4.
2. Christmas Party will be the 2nd Tuesday in December at Superstition Springs Dec. 10, 2019. The cost will be \$55 for golf and lunch and if injured lunch only is \$15. Email Nancy if you have your groups picked and give her the names ... email Nancy if you are coming and don't have a group AND email Nancy if you are not going to make it.
3. Jody McComb will be organizing "Save the Family" for the holidays. More info coming later.
4. End of the year party will be on March 31st, 2020
5. We are adding a RINGER Notebook that will be on the table each Tuesday and you must write in it if you want to ... **You circle the best score on each hole and you only need to go back to the ringer book when you make a better score on an individual hole** ... we will give best score in 3 flights at the end in March. We have borrowed the form that Dobson Ranch uses and you can list your birdies and eagles and sandy pars but we are only giving awards for the RINGER SCORE in 3 flights. You do not have to participate but the notebook will be on the table each week.
6. We will be adding 2 weekly **proxies** (flight 1 and flight 2), Nancy will explain.
 - a. White is flight one and a 1 will be on your scorecard next to your name
 - b. Blue is flight two and a 2 will be on your scorecard next to your name
 - c. The first time you see a proxy event, it will be for flight one and will alternate each week for closest chip and then longest putt. The very next hole will always be the same event but for flight two.
 - d. 2 flights for proxies from November thru March ... 1 flight from April thru October... we give \$10 to each flight.
7. We will be awarding a \$10 prize for any and all EAGLES all year around if you do it on league day at Kokopelli ... Our hole in one is all year around and is \$50 minimum and goes up \$50 on Jan. 1st each year.
8. We have decided to give out money throughout the year to those that play regularly as that is why we are doing two flighted proxies.
9. 29 putt club begins and always runs from November thru March. You will not be collecting money at lunch for having 29 putts or less. Instead you will earn A SHARE of the final money collected.
10. SOME RULES to be explained at this time.

New Local Rule for Lost Ball ... Linda had a chart and explained Rule 14.6 Lost Ball and Out of Bounds Rules on how to do this, 2 strokes. Once you hit a provisional this option is not available.

Also on Bunkers, if your ball is unplayable, you can move it and stay in the bunker and not get any penalty. If you take it out of the bunker, behind the bunker, it is a 2 stroke penalty Page 96, Rule 16.1C relief from abnormal conditions in a bunker states that if there is no relief in the bunker it can be taken out for a 1 stroke penalty. It is the player and not the group that determines if the ball is unplayable.
11. If you ever **do not** get an email from Nancy about pairings, either send her an email or text but first check your **junk** mailbox or your **spam** mailbox. She sends out pairings on Sunday. She uses two email addresses: NLELLIS@cox.net and COACHELLIS@cox.net
12. Tips for the food are as follows: On the counter in the silver tub goes to Kendal ... on the table in the cups goes to the chef. Sometimes Kendal is both. Kendal would love suggestions for lunches.
13. ALWAYS TEXT Nancy when you have been scheduled to play but cannot make it. Also, send her an email to play by Saturday if you did not sign the list. We would like to make the deadline Saturday by high noon to sign up for golf the following week. That gives Nancy time to set it up and send it out Saturday night or Sunday morning, then if you reply on Sunday, she will be sending the clubhouse the pairings on Sunday night.

We have unlimited times you may bring a guest. Guests may not do the putts or proxies. They may only do the putts during the summertime.

14. If you have decided **not to renew your membership** for Kokopelli for 2020, let Nancy know as she will need to remove you from our club membership roster with the AWGA/AGA so we are not billed. The members that she does not hear from by December 1st, she will start email you to ask you if you are going to rejoin us for 2020.

Dues are \$60 and Deadline Due Date is Dec. 10 at our Christmas party. Cash or checks made out Kokopelli Ladies League.

15. Jean will be putting out birthday cards on the table each week for those members in our club who have a birthday during the week. We will not be mailing any of them out but we will have a card on the table for you when you show up to play golf. We are saving stamp money. She started this during the summertime.
16. PLEASE SIGN YOUR SCORECARDS
17. Only circle 3 items on your scorecard ... 1 – you need that score changed before posting as it is too high for your handicap ... 2 – any eagles as you have won \$10 ... 3 – hole in one, money coming.
18. Be on time for teeing off. During the season we tee off at 8:30 so the latest you should get here is 8:00
19. Group 1C will be teeing off before everyone else each week. They will leave the staging area at 8:15 and everyone else will wait until 8:30. This allows for this group to not be the very last group in.
20. With the PROXY events, if you are in the last group, please pick up the proxy and tuck the proxy marker into the pocket on the back of the proxy. Then drop the proxies off at the turn.
21. In December, Nancy will be discussing the change in our handicapping when your handicap GHIN will become WHS (World Handicap System) “Net Double Bogey” She will also have handouts for everyone.

Just a final reminder to give Nancy a YES or NO on whether you are coming to the December 10th Christmas Party at Superstition Springs, 8:00, lunch 12:30, \$55 + \$5 proxy. Nancy will pair you up if you just tell her Yes but no partners and remember that you can invite guests. Sign all scorecards before turning them in

Jody McComb,
Secretary
10-30-2019
