

Minutes for 2023 ... met with Kyle Jones on 12/27/2022

1. On February 7, because of activities at Kokopelli and the Super Bowl and tons of golfers, we will play and leave with no lunch. Rates are going up during that week but our rate will stay as listed below and we are keeping the rate the same because we are not having lunch. That date is Tues., Feb. 7 and I will remind you. The lunch area will be packed with golfers.
2. Ladies clothing is up and ready for you to look and purchase in the golf shop. Kyle has more to put out when the space allows.
3. Your receipt is going to look different in 2023. You will pay just as usual but he is going to log the ladies league into a separate account to allow for keeping better track of the food expenses and the gift cards. You will not notice any difference in paying at the counter but your receipt will look different.
4. Our Lunch. Always feel free to go and get seconds and sit down and enjoy them BUT some of you are taking food home either for another meal that night or for your loved ones. You may do this but you have to pay extra. You have to pay for that extra meal you are walking out with. While I am not playing I am paying \$10 for lunch. I put \$5 in the jar on the drink counter and I put \$5 in a cup on the table. This is what you will do if you are taking home an extra meal. This does not mean you cannot go get seconds and sit down and enjoy our great meals and that is no extra charge but we have to give them enough to cover the costs for all the food.
5. After meeting with Kyle Jones here are the new prices for next year 2023

The price of food has gone up, the cost for golf has gone up.

They have agreed to continue with free lunch, \$3 prize money, and everything the same as before with golf, cart, practice balls, buffet lunch, 20% off and \$3 prize money.

These are our new prices that take begin on Jan. 1, 2023
