The team then selects the BEST 2<sup>nd</sup> shot from which to hit their 3<sup>rd</sup> shot. This procedure shall continue until the ball is holed out. You may improve your lie within 1 club length, no nearer the hole, "through the green" and within 1 putterhead length, no nearer the hole, on the greens. ***In the event a team ends up with three Hobos then the first Hobo listed on the Scorecard will hit twice on every shot on the 1<sup>st</sup> 3 holes, the second Hobo twice on the next 3 holes, and the third Hobo will hit twice on the last 3 holes.***

**Note:** A Minimum of ONE (1) Tee Shot per Hobo must be used during the round & place an "X" (Railroad Crossing Sign) on the scorecard on the corresponding hole that the Hobo's tee shot was used.
