We had 17 Tuesday's through the season with regular play.
 Scramble do not count since this is an individual score award
 You must have competed in 50% of the total games (9 games) to qualify for the best
 Low Gross Average score and the best Low Net Average Score.
 The Shaded areas on the right did not qualify for this award because they did not
 play enough games this year.
 I added all your scores and divided by the number of games you played to figure your
 average score for the year
 Low Net Average = your Low Gross Average minus your Handicap Average
 This year we had 15 golfers play 9 or more times and qualify for this award.

Low Gross Club Champion is Judy Collins with a 79.83

Low Net Club Champion is Ruth Wilson with a 71.35
